

Parking Committee Duties

The parking committee shall be responsible for getting all units parked as rapidly and safely as possible.

This consists of:

- A. Selecting an assistant chairperson.
- B. Arranging for sufficient help to get the units parked in a minimum of time and safely.
- C. Training the parking workers with complete knowledge of where the various parking areas are located.
- D. Training the parking workers with detailed knowledge of the specific area in which they will be working.
- E. Providing all workers with maps of the area in which they will be working.
- F. Providing all workers that will be working after dark with reliable flashlights and spare batteries.
- G. Provide someone on Wednesday to park the early arrivals.
- H. Having available, in case of need, tractors and/or four wheel drive vehicles to aid in parking and leaving.
- I. Supplying the treasurer with a financial report within fifteen (15) days after the campout that are in MSA required format.
- J. Supplying the secretary with a written report within fifteen (15) days after the campout. This should include any information deemed to be important that would assist future parking committees.
