News from the MSA President

When you read this article our Camping season for the MSA/FCRV will have come to an end for 2020. This is a year that we will never forget, that's for sure. Back in the seventies the FCRV/ NCHA was faced with a major fuel crisis which adversely affected our organization. We persevered and bounced back from that as we will from this pandemic. It will take some time and there will be changes in how we conduct ourselves at campouts, but the most important thing is to stay safe and be patient. One great thing we have going for us is modern technology which is making it easy to keep in close contact with our family and friends. So pickup up the phone or send an e-mail to your camping friends, it is important we keep in touch.

On another note it is election time in the MSA/FCRV. Since the fall campout has been postponed until 2021 we will need to handle business in other ways. The board is looking for an election chair and candidates to run for the offices. If interested in any of these positions please contact me at president@mifcrv.org or paulrjones@usa.net ASAP. My second term ends in May 2021 and therefore we will need someone for that and other offices so please consider them. Our future depends on the filling of these offices.

Sincerely
Paul R Jones

STATE DIRECTOR'S NEWS

This year will be one our camping family will never forget. We hope you have had a healthy and safe summer. We have sure missed everyone and hope 2021 will allow us to be together again.

Our current royalty will remain for 2021: Retiree King and Queen, Charlie and Penny Rambo; Teen Queen Grace Carey; Teen King Luke Kurburski; Princess Clara Dietrich; Prince Otto MacIntosh; Teenie King Graham Dietrich. Our teen royalty will represent Michigan at the 2021 Campvention.

Are you working on your 2021-chapter calendar and officers lists? When completed, please forward both to us. There are plans in the works to post your chapter calendar on our website.

Please look for the Plastic Cap Project information in this edition of *The Michigander*. This is something other states in our region have successfully accomplished and we want to get on board to recycle. Our goal is to provide a park bench to the three district campouts sites. We hope you will join us in this initiative. We will share more at next year's state spring campout. Please start saving today and bring your collection to next year's spring campout. We have our family and friends saving for us and have already accumulated quite a collection!

Congratulations to our 2019 Scholarship Winner Katie Kurburski! We will not forget this year's other award recipients. The plan is to present 2020 awards at the 2021 state spring campout.

The 2021 Campvention will be held in Elkhorn, WI, July 11-16 with early days July 9-10. The registration form was forwarded through our email blast if we have your email address. It can also be found on our website, *The Michigander*, and *Camping Today*. Take advantage of the \$30 discount by registering before 12/21/2020.

Indiana is hosting the 2021 Great Lakes Regional at the Shipshewana North Campground, Shipshewana, IN August 5-8. There are only 52 sites at this campground, so you need to make reservations at your earliest convenience. We will have more details after our next regional meeting in November.

In 2022, it is Michigan's turn to host the Great Lakes Region Campout. The Hillsdale Fairgrounds have been reserved for August 4-7.

Please forward us your email address if you are not receiving our email updates. This is the quickest way for us to get information to you in a timely manner.

For those FCRV memberships that have expired, they are now due. There was a hiatus due to the virus shutdown but that has ended. Please check your FCRV Membership Card and note your membership expiration date. We have had members who were unaware their membership expired, and they did not receive notification. National indicates they notify members approximately two months prior to membership expiration. Contact us if you have questions.

Please continue to reach out to prospective campers that do not know our story and share how Strangers Become Friends and Friends Become Family. Our organization is the Best Kept Secret, and we all need to share our good news. Please continue to recruit new members for FCRV in Michigan. We are happy to report our membership appears to be stable. Michigan has received an award this year for increased membership for a mid-size state/province...congratulations!!!

We wish you happy holidays and safe travels until we see you in 2021.

John & Linda English, Michigan State Directors, statedirectors@mifcrv.org

Scholarship News.....

Katie Kurburski was our only scholarship applicant this year and she met all the requirements to receive the award. Katie is attending Ferris State University working towards her degree in pharmacy. She loves helping people and she feels her degree would allow her to work and give back to the community too. Her hobbies include Scottish Highland dancing, camping and golf. She has been very active the last 12 years in 4-H and the Grange. Katie is an active young adult member and a Co-chair for the 2021 National Campvention Teen Pageant. Congratulations and best of luck in all your endeavors!

It is never too early to start thinking about next year’s scholarship application. As a rule, the following is one of the requirement to be eligible to apply for a Scholarship: the applicant **or** applicant’s parents must attend at least one (1) Michigan FCRV campout this year and camped/stayed overnight one night. The qualifying campouts are: MSA State Spring, MSA State Fall campout and a District campout. **BUT, since all FCRV campouts were cancelled in 2020 due to COVID-19, the Scholarship board will waive the camping requirement for this season.**

Thank you to the Halloween Campout Committee for the donation to the Scholarship Fund. Also thank you to Tom and Sharon Westerhouse and Paul and Diane Jones for a donation in memory of Dick Carey. Your generosity is very much appreciated!

IMPORTANT REMINDER: Teens living at home planning to attend college or a trade school, upon turning 20 years of age, will need to request a 20-year old honorary membership from the Michigan State Director to apply for a free membership. To be eligible for a National or Michigan FCRV scholarship, you must be a **member in good standing**. (See policy below)

Scholarship applications are available on the MSA website, www.mifcrv.org. Be sure to apply for a national scholarship; the contact information is at the bottom of the Michigan scholarship application. For questions contact: Jane Thornton, Scholarship Director 2084 Madsen Rd. – Saginaw, MI 48601 Ph. 989-777-5958 E-mail: scholarship@mifcrv.org.

Jane Thornton, Scholarship Director

POLICY - TWENTY-YEAR-OLD HONORARY MEMBERSHIP

1. Any single child of an FCRV member in good standing, may at the age of 20, request of the State/Provincial Director that his/her name be placed on the 20-year-old honorary membership list. The name, address, and birth date of the 20-year-old will be provided to the national office through the State/Provincial Directors.
2. FCRV will extend the membership of a single child through the age of 24 if that individual is in the military or a student in college or technical school. **This extension ceases upon leaving college, release from the military, marriage, or lack of application to the State/Provincial Director EACH year for a membership extension.** At the end of the extension period the member must pay for a renewal at the going rate.

Fall!

Fall is here and the leaves are falling. We need to be careful in this pandemic that we do not fall too. It is essential that we keep our health, our sanity, and our friends. It is difficult not being able to go to our campouts. It is aggravating to need to wear the mask when shopping. Just finding good places to eat when one needs to be out and about is sometimes a challenge.

We need to respect others and follow safe guidelines as much as possible. Trying to live some resemblance of a normal life without fear should be our goal. Fear of what might happen can be detrimental to our health as much as "what might happen".

Just lay your fears in Jesus's hands and He will carry you through these rough times.

1 John 4:18(KJV)

¹⁸There is no fear in love; but perfect love casteth out fear: because fear hath torment. He that feareth is not made perfect in love.

Note: Obituaries are no longer included in the Michigander unless it is requested. Thank you for understanding.

MIFCRV TEEN ROYALTY

Hello Fellow Campers,

Editor's note: No new report due to Covid-19

I hope that everyone is staying healthy during this crazy time. Most of my activities have been cancelled, including school, track, and youth group. Although I am a little disappointed with what's going on, I know that it is for good reason.

But, with everything going on, I am so excited for the camping season to begin, and I hope that everything goes back to normal soon.

I am busy preparing for Campvention this summer, and I hope to see many of you there!

Stay safe and thanks again for the endless support,
Grace Carey, 2019-2020 Michigan Teen Queen

Fellow Michiganders,

Editor's note: No new report due to Covid-19

This time is a difficult one for us all because our camping experiences have been limited. I am more than excited than ever to be able to camp with everyone and eat s'mores by the fires once again.

I have been super busy with my classes going virtual and all online. I have been taking automotive class, biology, social studies, and algebra. I never thought I would say it, but I miss going to school. In between my classes I have had lots of time to craft and get outside to enjoy the weather.

I hope everyone is staying safe and healthy!

Thank you,

Luke Kurburski
Michigan Teen King

MSA 2021 Planning has Begun!

Your MSA Executive Board is meeting electronically to plan for the 2021 camping season. We are hopeful we can once again gather safely.

MSA State Spring Campout: Hillsdale Fairgrounds, May 13-16, 2021. This site was chosen as our Regional Directors, Doug and Connie Black, will be joining us. Are you willing to host this campout? Please let President, Paul Jones know ASAP; president@mifcrv.org

MSA State Fall Campout: As of this edition of *The Michigander*, we are looking for a site in Northern Michigan. An announcement will be made once confirmed. English's and Schaub's are hosting and looking for ideas and volunteers!!!

Hello Everyone,

Well it is that time of year folks, for what it is worth camping season is about done for the year. Some campers and RV's will be winterized and stored while some snowbirds will be prepping for their warm weather seasonal journeys and maybe some sportsmen gearing up to camp while the fall hunting seasons starts.

A few things to keep in mind this time of year when traveling with or without your camper or RV, look out for our favorite woodland creatures, the Deer, along with our local farmers and farm machinery. Its harvest season in Michigan.

Whether in your camper/RV's or your home do not forget to check your alarms and monitors for your propane/natural gas, Carbon monoxide (Co2), and fire/smoke. Also, if you or your family use a wood/pellet stove, or fireplace do not forget to check them out as well as cleaning and inspecting the chimney.

There is lots of things happening over the next couple of months, Sports activities (what there is), Halloween and trick or treating (maybe), the fall hunting seasons, and yes, the start of the holiday season. And do not forget Veterans Day, if you see or know a veteran be sure to thank them for their service.

Stay safe everyone,
God Bless

Notes from the Webmaster

Our State Directors and I have discussed the idea of posting chapter campouts on the MSA website. I think it is a great idea and am willing to do this for those interested in inviting others to their campouts. It is time to get your dates and registrations to me for the 2021 calendar.

Thankyou

FCRV Liability Insurance Information

The explanation of our liability insurance forwarded from Trustee, Sue Fromholzer, Vice President, Operations: It is available to our chapters, regions and states during an official campout. Liability insurance is designed to offer specific protection against third-party (**another camper**) insurance claims, i.e., payment is not typically made for the insured (**FCRV and its members**), but rather to someone suffering loss who is not a party to the insurance contract.

THANK YOU, MEMBERS & BOARD!

It is with mixed emotions that I need to inform you that this is the last issue that I will be the editor of the Michigander. Ida and I are hoping to do some extensive traveling in 2021. If we are able to travel (Covid-19 does not stop us) we will be leaving shortly after State Spring and will not return until April of 2022.

We hope to go to Alaska, but if Canada is not open to let us travel across their country, we will try to travel the Western and Southern states that we have never been to. We plan to end up our Summer of travel back in Florida for the Winter. That is why we will be gone until Spring of 2022.

Linda English and Paul Jones will be the temporary editors (until someone volunteers to take over the position) and they will begin with the January 2021 issue. Please help them put together the Michigander by submitting many articles and pictures (make them work, ha, ha).

I will still be holding the Chaplain position. Someone from the Praise Gang Puppeteers will fill in for me until we return.

Our plan (if God allows) is to be back April 2022 for the Southeastern District Mixer. Hope to see all of you there!

Plastic Cap Recycling Project

Ready to get involved in a recycling project that is good for the environment? Green Tree Plastics located in Evansville, IN will recycle plastic caps into park benches. All we do is collect, sort, and weigh the plastic caps! Some of us are aware of this project as FCRV in Indiana and Illinois are two states that have had success in recycling and purchasing park benches. There is an additional cost depending on what type of bench we choose which can be accomplished with fundraising.

Our goal is to provide a park bench to the three fairgrounds that have hosted our district campouts for many years: Northern District at Gladwin Fairgrounds; Southeast District at Springfield Oaks 4H Fairgrounds; and Blue Water District at Eastern Michigan Fairgrounds.

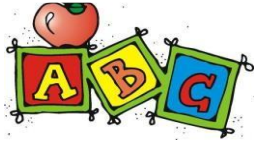

Just in the short time we started collecting, we have several boxes full! We will talk about this more during the 2021 MSA State Spring Campout. This is an easy project and will be fun to see what we can do to recycle and turn into a useable product. Start saving plastic caps from various products that would normally be put in the trash! A list of the acceptable (and NOT acceptable) caps are included in this newsletter.

Get your family, friends and neighbors involved! This is a great recycling project.

Please bring what you collect to the 2021 MSA State Spring Campout!

Thank you!

John & Linda English, Michigan State Directors
